"Battery" Warranty Information

- Machines built after December 2007 are equipped with East Penn batteries, which offer a one-year free replacement warranty on defective batteries.
- All warranties must be approved by a East Penn dealer on the list provided.
- Each East Penn dealer may have some variations in their policies.
- Neither Finn Corporation or East Penn is responsible for freight or down time caused by a defective battery.
- Any dater not punched will defer to the manufacture date on the battery.
- Neither Finn Corporation nor East Penn is responsible for battery failure caused by neglect, abuse or outside damage.
