

“The practice of BMP selection, implementation and management is not brain surgery – it’s much more complicated!”

Details: \$460

April 12 @ 8:00 am - April 13 @ 5:00 pm

MORE THAN EVER BEFORE YOUR BMPs MUST BE EFFECTIVE. WHY? According to the CGP (CA General Permit) the efficacy of the BMPs outlined in your SWPPP will be evaluated by inspections before, during, and after EVERY storm event. **HAS THIS EVER HAPPENED TO YOU? • Redoing your BMP over and over again • (NOV) Notice of Violation • Stop Work order • Receiving Fines *Make your BMP's WORK.***

The industry doesn't have a class like BMP 101. That's why experiential learning with hands-on participation will be the most successful in gaining intimate knowledge of the BMP.

Video-based instruction is another effective way to gain BMP knowledge. The "BEST of Erosion Control BMP SUMMIT" course offers both hands-on and video-based teaching to help you effectively learn how to SELECT, INSTALL, and INSPECT BMPs at Shasta College.

We've got various exhibitors on-site with EC equipment, products, and suppliers. This is the only learning environment where you get to rub shoulders with the exhibitors and handle the products while kicking the dirt. Just a walk away is the Shasta College Erosion Control Training Facility where we will spend the second day watching and participating in BMP implementation.

Upon completion of this training, you will leave with the confidence of knowing how to successfully implement BMP's on your site. Leave the days of redoing BMP's over and over again behind. Register today! Check out this BMP video: <https://tinyurl.com/yckw3dsp>

Cost of Registration for 2 – Full Day training will be **\$460 per Student**, which includes 1.) * BMP Manual – Best of the BMPs Guidance Manual, 2.) breakfast and lunch for both days, 3.) Refreshments (coffee, tea, and water)
Lodging: The Red Lion Hotel on Hilltop Dr, Redding has offered a discounted group rate (\$96/night) for you! Simply tell them you're here for the Erosion Control Summit to redeem your discount. Plus, an Erosion Control Social will be happening Tuesday night at the hotel.
*Only available 04/11/22 till 04/13/22 checkout.

Discounts:
4-Pack: \$25* discount for each registrant for groups of 4 or more.
Early Bird: \$25* discount for registering before March 13, 2020.
10% COMBO: 10%* (\$46) discount for registrants that qualify for Early Bird and 4-Pack. (Only one registration discount may apply – this discount is NOT in addition to Early Bird and 4-Pack.)

DIRT TIME

2022 Erosion Control BMP Summit at Shasta College – Exhibitors

Don't Miss Your Chance to Share Your Products & Services at the Only BMP-Centric Training Out There!

**April 12 @ 8:00 am - April 13 @ 5:00 pm
\$800 – \$1200 Shasta College - Redding CA**

This 2-day BMP Summit will combine Classroom Training with Hands-on, in-the-field demonstration and practice. The Exhibit Hall and the Classroom will be combined in the (BARN) 4000 building. Exhibitors will have a chance to be involved in the dialog and discussions. Every break will be an opportunity to mingle and connect. Based on our previous Summits, we expect about 125 participants. The past SUMMITS have been attended by roughly 30% agency and 30% private sector SWPPP designers. This year we expect several CalTrans staff, wildfire specifiers, and numerous state, county, and city representatives.

Check out this BMP video: <https://tinyurl.com/yckw3dsp>

EXHIBITOR BENEFITS

Showcase Exhibitors receive dedicated time on the agenda to show your products and services to the engineers who specify their use, the contractors who buy and use your products and the regulators who monitor the sites. Both Showcase Exhibitors and Indoor Exhibitors are provided with display space in the classroom allowing interaction with the attendees. Exhibitors will also be given a chance to introduce themselves and their products/company.

Limited to only 13 exhibitors; 6 showcase exhibitors and 7 indoor exhibitors.

Don't miss this opportunity to connect face-to-face with your audience at the only BMP-centric training course currently out there.

SHOWCASE EXHIBITORS (6 available): *Note: Break down is after lunch on the 13th

Regular Price: **\$1,200.00**

INDOOR EXHIBITOR –(Inside table/booth for two days), includes refreshments and meals for 2 people.

Regular Price: **\$600.00**
